Retain Mailbox-Saver	Units	EMEA EURO

Customers could archive inactive Mailboxes from their email server into Retain Mailbox-Saver, therefore, streamlining the email system to ACTIVE users. Mailbox-Saver Subscription allows the organisation to manage the static user information and/or eDiscovery. It is not allowed to archive users from active mailboxes. Sold in 10 users increments.

Retain Mailbox-Saver archiving CANNOT BE COMBINED with standard Retain or Retain for SMB. Migrations from Mailbox-Saver to standard Retain will be quoted on request.
